Boren, president of the Kansas State Convention, will preach on that date. All Baptist ministers and their congregations will be present. Rev. D. A. In this way we are trying to get into your hearts to be with us and help raise the \$700 by the 15th of May.

G. W. WALKER, Bishop of the Southwest Missouri Conference.

SECOND BAPTIST CHURCH.

The Easter program rendered by the B. Y. P. U. last Sunday was excellent, especially was the music by the choir, which has taken on new life. The topic lesson led by Mr. Smith was well discussed. The attendance was 110. Next Sunday the choir will begin its professional promptly at 6 o'clock. Come early and see this splendid choir perform and listen to the melodious songs and anthems. Also Mr. Well of St. Louis will address the union. The senior B. Y. P. U. held an interesting session in the lecture room last Sunday. The following program will be rendered, beginning at 6:30. Everybody is invited. The services all day last Sunday were glorious. In the morning Dr. Bacote delivered one of his masterpieces relative to the Risen Lord, which was appreciated by an unusually large congregation. In the evening the pastor's discourse was grand and the attendance was large. The Sunday school rendered an excellent program, after which the hearts of all the boys and girls were gladdened by the distribution of beautifully colored eggs.

"I Am a Cat."

A Japanese critic in the New Republic described a recent humorous masterpiece in Japanese literature. "The tradition is that Japanese literature very seldom smiles. 'I am a Cat' appeared in our literature to relieve the long strain of lachrymose history with a thoughtful, cynical smile—a smile, at any rate. It is the biography of a nameless cat residing in the home of an absent-minded professor. The cat is baptized in a gutter of Tokyo and saves himself from the hands of a brusque student with an enormous stomach and a big stick trying to pay him a compliment, which marks the first episode of the feline career. He goes into the professor's house and observes the ingenuity and prejudice of that comical specimen of humanity, and there he stays in spite of his tastes and philosophy, and the story runs on agilely until he dies, poisoned like a Socrates. Cats are not as amiable creatures as dogs, so the difference between Soseki's book and that of M. Anatole France lies mainly in the nature of their smile, the difference of mewing smile and barking smile."

Women's Clubs.

LADIES' COTERIE CLUB.

The Ladies' Coterie Art Club met with Mrs. H. Compton, 1425 Michigan, last Wednesday, with a nice attendance. After a delightful program the club adjourned to meet with Mrs. Sophronia Simpson, 917 Vine street, upstairs. Two visitors were present, Mrs. Perry, who made excellent remarks to the club, and Miss Bacot, who read an interesting paper.

XX HISTORY AND ART CLUB.

The exhibit of the XX History and Art Club was quite a success in attendance, finance and enjoyment. At 12:00 o'clock promptly the Cake Walk began and the prize winners were Miss Catherine Washington and Prof. Clark, who were very generous in passing the cake around to the on-lookers. The work displayed was very beautiful.

THE SOROSIS CLUB.

With the deepest gratitude to the kind patrons of our recent dinner for benefit of our Y. M. C. A. Piano Fund and with perfect satisfaction that we had succeeded in serving our guests uniformly well to the best of our ability, the article of criticism occurring under the above caption in last week's issue clothed in such unhappy diction was startling news to each member of the club. Each waitress was beforehand assigned her line and worked systematically at her own position. We deeply regret any grievances, real or imaginary.

MRS. J. F. SHANNON,
Chr. Ex. Com.

THE COSMOS CLUB.

The Cosmos Club, a social service organization, organized three years ago for the laudable purpose of providing a Friday night dance at the M. and O. hall for the young people of the two cities, adequately supervised and chaperoned under the leadership of that prince of good fellows, Tilford Davis, Jr., has been persuaded to go on the second of its now famous outings to Leavenworth. The date is set for Tuesday evening, May 9. Like the one last year this affair is unique, in that it guarantees a seat "gwine and comin'" as Uncle Mose would say. President Davis informs us that while the Trolley Party of 1915 was the best ever taken out of Kansas City, the club has profited some by that experience, and proposes to make the coming event better still in several ways, although the Order of last year can hardly be improved on—it was so near perfect. The fact that the Club does not try to carry anybody and everybody, and Tom, Dick and Harry, is one of its strongest recommendations to our good people.

Another thing we like about this Club is that it promises no more than it can perform and sets a good example by keeping its promise, as some of our readers found out to their chagrin last year when they tried to get tickets after the date set for them to be withdrawn from general sale, which is May 6, for this year—and found it difficult to get hold of one.

Tickets on sale at the People's Drug Store, Slaughter's and Home Drug Company, exclusively.

A CORRECTION.

In the article last week relating to the death of Mr. Guy Marshall, the name of one brother was omitted; which was Mr. S. C. Marshall of Butler, Pa., and it was also stated that the apartments at 1207-9 E. 16th were owned by Mr. Marshall which was a mistake. They were built by Mr. Marshall according to his own plans.
